PRACOVNÝ ZOŠIT PRE DETI PREDŠKOLSKÉHO VEKU

POZNÁŠ PLOŠNÉ TVARY?

ČO NÁJDEŠ V PRACOVNOM ZOŠITE?

Zistiš, čo je

kruh,

štvorec,

trojuholník,

obdĺžnik,

ovál,

kosoštvorec,

šestuholník.

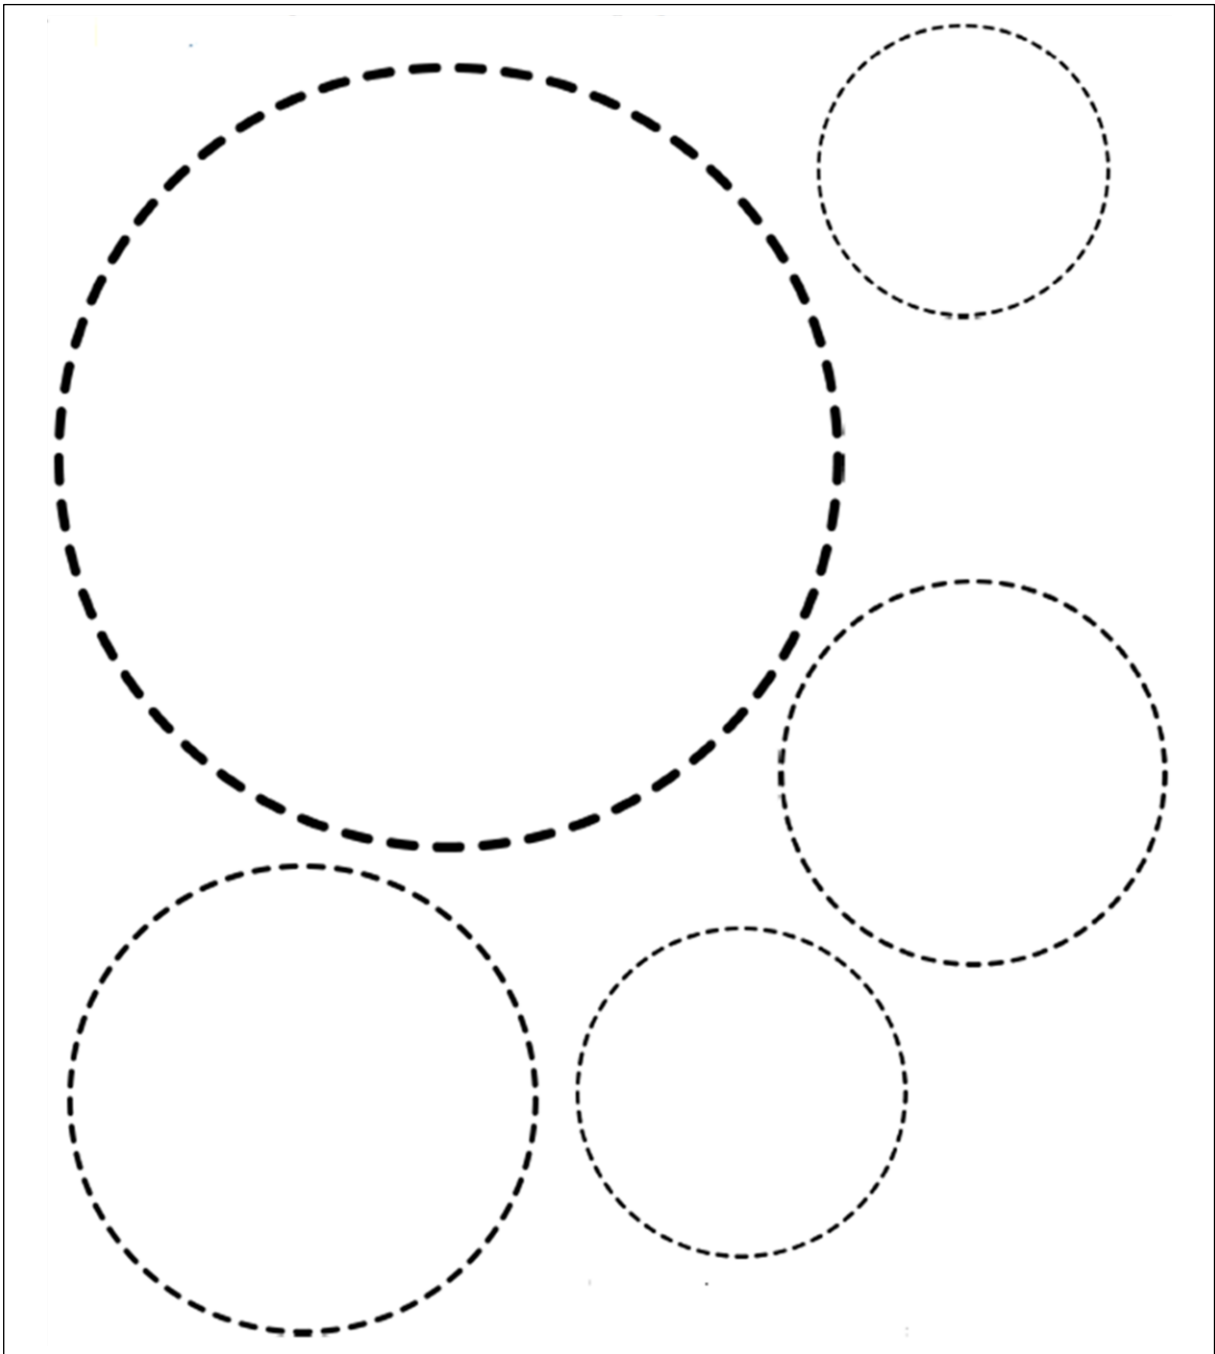

Budeš ich hľadať na predmetoch okolo seba, môžeš tieto tvary vyfarbovať, ich línie obťahovať, či samostatne nakresliť. Tiež si ich skús vymodelovať a vyhľadávaj ich v triede, doma a vonku.
