

Liebe Eltern,

aufgrund der aktuellen Lage erhalten Sie anbei Lernpläne für die nächsten vier Wochen. Diese umfassen Aufgaben in den Fächern Deutsch, Mathematik und Sachunterricht, die verbindlich bearbeitet werden müssen. Bitte unterstützen Sie ihr Kind dabei.

Die Arbeitsblätter für die Woche finden Sie direkt nach dem jeweiligen Plan. Lediglich das Luftforscherheft, die Informationen zur Leserolle, die Längenwerkstatt sowie das Osterheft finden Sie als separate Dateien. Nach der Bearbeitung kann Ihr Kind die Aufgaben abhaken. Die Diagnosebögen bilden den Abschluss eines Deutschschwerpunktes. Daher soll Ihr Kind diese selbstständig lösen, sodass Sie eine Rückmeldung über den Lernerfolg haben. Wegen der großen Zeitspanne ist es notwendig, dass Sie verschiedene Themen mit ihrem Kind neu erarbeiten. Jedes Kind soll bis Ostern das Schreibschriftheft beenden.

Bleiben Sie und Ihre Familie gesund!

Carolin Dreyer
